

How is it that a “second home” can be the home that owns your heart? When it’s at Martis Camp, it happens effortlessly. Sure, we can boast a Tom Fazio golf course, the Beach Shack on the shores of Lake Tahoe, a direct ski lift to Northstar California™ and a Camp Lodge that contains an abundance of amazing. There are concerts, art classes, an old fashion soda fountain and everything else under the roof at the Family Barn. But home here is defined more by what you create than what you are given. And when those creations translate into memories, your Martis Camp home is, indeed, where your heart is.
